Health Sciences  
**LIBRARY**

## Library Open House

Friday October 20, 1:00 – 3:00PM  
Health Sciences Library, 3rd Floor  
LKSKI

Mark your calendars – you're invited!  
In celebration of St. Michael's Hospital's 125th anniversary, drop by the Health Sciences Library Open House to discover and celebrate the contributions by library staff and services from the past, present & future. There will be cake, coffee, displays, a book sale, and more. You don't want to miss it!

## New series: Info Bites!

The Health Sciences Library is excited to offer a new series called **Info Bites**: casual, short, informative sessions to introduce you to new resources, time-saving pro-tips, and to give you an afternoon break. Drop by the Information Commons (outside the library, 3rd floor LKSKI) to enjoy tea and treats, and leave with some information to chew on. No registration required unless specified. Full Info Bites schedule here: <http://bit.ly/HSLInfoBite>

### Upcoming Info Bites:

- **Advanced Literature Searching: Top tips & tricks!:** Oct. 13, 3:00-3:30pm
- **Intro to Covidence Systematic Review Software:** Oct. 27, 3:00-3:30pm
- **Webinar: DistillerSR Systematic Review Software:** Nov. 1, 12:00-1:15pm

## Did you know?

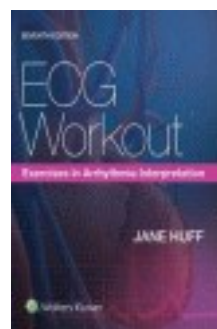

You have access to dozens of resource guides prepared for you by the Health Sciences Library. Guides are prepared specifically for you, and feature resources available to you as St. Michael's Hospital staff.

### Most popular guides:

- **Library Workshops:**
