

November is Research Month!

The Health Sciences Library proudly supports SMH Research. In 2016-2017, library staff completed **366 literature searches**, **79 systematic reviews**, and answered **3529 research questions**. We also offered **78 workshops** to **1172 learners**.

Your Health Sciences Library grants you access to:

- ⇒ 3468 e-journals, 1063 e-books, 42 resource guides & 19 databases
- ⇒ Assistance for literature searches and reviews, development of new resource guides, customized group workshops, and more

Share feedback on how we can improve our efforts to support you: hslibrary@smh.ca
