Check out the Archives' flickr page for photos and images of our 125 year history!

bit.ly/smharchivesflickr

The St. Michael's Hospital Archives collects and preserves a permanent record of the work and activities of St. Michael's. The Archives houses a rich collection from the hospital's corporate and historical records, including a large photograph collection, newsletters, correspondence, meeting minutes, subject files, and more. If you are interested in learning more about our archives, or would like to arrange a visit, please contact Teruko Kishibe, Archivist (x77542; kishibet@smh.ca).

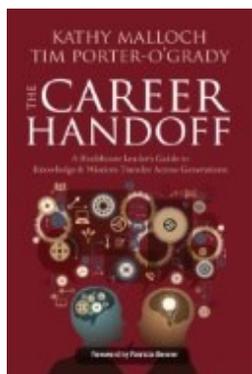

Natural Medicines is the most authoritative resource available on dietary supplements, natural medicines, and complementary, alternative, and integrative therapies. Their newly enhanced product provides the best features and functionality from both Natural Standard and Natural Medicines Comprehensive Database, as well as new clinical features that weren't available before.

- ✓ Over 90,000+ new commercial products
- ✓ Interaction checker
- ✓ Patient handouts and education resources
- ✓ Evidence and effectiveness checkers

Access Natural Medicines at

naturalmedicines.therapeuticresearch.com

NEW featured eBook

The Career Handoff: A Healthcare Leader's Guide to Knowledge & Wisdom Transfer Across Generations, Malloch, K. et al, 2016.

To access this title visit: bit.ly/careerhandoff

COMING SOON

NEW! Systematic & Scoping Review Search Policy

Due to high demand and the importance of systematic and scoping reviews, a new policy is underway to support research teams in planning and conducting systematic and scoping reviews. The policy will ensure the provision of search services is standardized and on par with colleagues at similar institutions supporting health sciences research. For more information visit: bit.ly/sysrevpolicy

The Health Sciences Library is located on the 3rd Floor of the Li Ka Shing Knowledge Institute
