Health Sciences  
**LIBRARY**

## Celebrating Pride Month!

The Health Sciences Library is proud to share a new set of resources on **Transgender Health**, integrated within our Resource Guides. You will now have access to curated health and community resources to support working with and improving the patient experience of trans folks, such as:

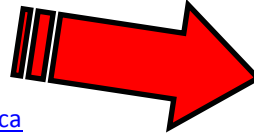

- St. Michael's Hospital Gender Identity & Gender Expression Policy
- Local Community Organizations & Health Associations
- Guidelines & Best Practices
- Websites, articles, eBooks, and more

Check out this new set of pages on any of our Resource Guides

For a full list of all SMH Resource Guides, visit:

<https://guides.hsict.library.utoronto.ca/SMH>

Questions? Please contact us at [hslibrary@smh.ca](mailto:hslibrary@smh.ca)
