Health Sciences  
**LIBRARY**

## RESIDENTS: WELCOME TO ST. MIKE'S!

To help you succeed, the Health Sciences Library has curated a guide of resources specifically for you: [bit.ly/smhresidentlibguide](http://bit.ly/smhresidentlibguide) This online guide includes:

- point of care tools, calculators, drug information
- patient education resources, cases, study tools
- eBooks, articles, and databases

The Library also offers workshops, literature search services, office hours, a computer lab for independent work or study, and a quiet space to focus.

Visit the library in-person (LKS 3rd floor) or online at [bit.ly/smhlibrary](http://bit.ly/smhlibrary) for more information and services!

## July Library Events & Workshops:

- How to Find Information Faster (July 05, 3PM)
- Researcher Profiles (July 10, 2PM)
- Introduction to the Systematic Review Process (July 12, 12PM)
- Excel Intermediate (July 17, 12PM)
- Advanced Searching using PubMed (July 19, 12PM)
- EndNote (July 24, 12PM)
- Webinar: Practice-based Evidence in Nutrition (July 26, 12PM)

More details and registration information: [bit.ly/hslschedule](http://bit.ly/hslschedule)

## DID YOU KNOW?

We partner with approximately 500 libraries across North America to supply you with articles & books not available in our collection!

The Health Sciences Library's **Interlibrary Loan service** will locate and retrieve articles or books you need with a turnaround time of same day or 2-3 days.

More details: [bit.ly/illsmh](http://bit.ly/illsmh)

## COMING SOON

### NEW! Systematic & Scoping Review Search Policy

Due to high demand and the importance of systematic and scoping reviews, a new policy will be launched this summer to support research teams in planning and conducting systematic and scoping reviews. The policy will ensure the provision of search services is standardized and on par with colleagues at similar institutions supporting health sciences research. For more information visit:

[bit.ly/sysrevpolicy](http://bit.ly/sysrevpolicy)

### NEW featured eBook

*Optimizing Patient Flow: Advanced Strategies for Managing Variability to Enhance Access, Quality, and Safety*, E. Litvak (ed.), 2018.

To access this title visit:  
[bit.ly/patientflowebook](http://bit.ly/patientflowebook)

The Health Sciences Library is located on the 3<sup>rd</sup> Floor of the Li Ka Shing Knowledge Institute

Hours: Monday to Friday 8:00am-6:00pm
