🌟 Congratulations on your Retirement, Marina! 🌟

After a 24-year career with St. Michael's Hospital, Marina Simms is retiring from the Health Sciences Library where she has been responsible for Interlibrary Loan (ILL) and document delivery services, as well as many other front-line library duties supporting students, researchers, and hospital staff. The Library Team will greatly miss Marina, with her big laugh and great sense of humour. In retirement, Marina is looking forward to travelling, taking personal interest courses, brushing up on her French, and doing whatever she wants :) Please join us in wishing Marina the very best in her next phase of life.
