

Exciting news for Unity Health Toronto!

Effective Aug. 1, the libraries of Unity Health Toronto (BMO Resource Centre in the Knowledge Centre at Providence Healthcare, The George Pennal Library at St. Joseph's Health Centre, and the Scotiabank Health Sciences Library at St. Michael's Hospital) are integrating in to one library service.

A comprehensive needs assessment is currently underway to assess how we can best meet the needs of our staff, physicians and students across all three sites. Following this assessment, we will develop and share a comprehensive plan covering both library services and library resources. In the interim, due to licensing, contract, and copyright law, resources available to staff are specific to the site with which they are primarily affiliated.

If you are interested in being involved in the library needs assessment, please contact Naz Torabi to participate in an interview or focus group. Feel free to email TorabiN@smh.ca or call (416)-360-4000x77541 to get in touch.

Meet our new Information Specialist!

We are so pleased to welcome Michael Myers to our team! He will be joining Unity Health Toronto Libraries as our E-resources Specialist. He is coming to us from the University of Guelph. Previously he has studied Library and Information Science at the University of Western Ontario and History at Wilfrid Laurier University.

Outside of library-land Michael enjoys running, reading, hiking, and continuing his pursuit to pet every dog in the city.

Artificial Intelligence in Healthcare Resource Guide

Explore the new and exciting developments of A.I. in the medical field! Within our new resource guide the library has curated various articles, web resources, books/ eBooks, journals, and databases that overview the innovative work in the field. For more information check out the guide here, <https://bit.ly/2Mhtn1m>.

Welcome Residents!

We're so happy to have you at St. Michael's Hospital! The library has created a resource guide designed to support you while you're here, check it out here <https://bit.ly/2Z0CENn>
