NEW!

Spaces & In-Person Services

Observing directives from Unity Health Toronto leadership for remote work to the greatest extent possible, our library spaces and in-person service points are temporarily closed. **All library services continue to be offered virtually.** For more details on our virtual services, please contact us at hslibrary@smh.ca or use the [contacts page](#). Check our [workshops calendar](#) for upcoming virtual instructional sessions, and follow [our blog](#) and *Twice a Week* for other library news and updates.

On-Demand Workshops

Instruction workshops anytime, anywhere! Library Services has officially launched its workshop On-Demand service. With plans of continuing to grow our course catalogue, you'll never miss a class again! And don't worry: there are no plans on stopping live workshops. Check out the course catalogue here: bit.ly/OnDemandLibWorkshops

St. Joseph's 100th Anniversary

St. Joseph's Health Centre is celebrating its 100th anniversary this year! Check out the website here: stjoestoronto.ca/100. Library and Archives services are supporting the anniversary by sharing a photo from St. Joseph's history every other Thursday on our Twitter! Follow along here: [@smhealthscilib](https://twitter.com/smhealthscilib)

New Databases Network-Wide!

Exciting news for ALL Unity Health Toronto staff: new databases resulting from [collection harmonization](#) are now available to everyone, at all sites. Staff now have access to:

- 
CINAHL Complete, which provides broad content coverage including 50 nursing specialties, speech and language pathology, nutrition, general health and medicine and more through thousands of journals! Site specific links below,
 - [CINAHL St.Michael's](#) • [CINAHL St. Joseph's](#) • [CINAHL Providence](#)
- 
Access Medicine, a comprehensive online medical resource with an accompanying mobile app that provides access to videos, self-assessment, and leading medical textbooks that facilitate decision-making at the point-of-care.

Additional databases are on the way! For updates on the upcoming database releases follow our blog, our Twitter at [@smhealthscilib](https://twitter.com/smhealthscilib), and updates in *Twice a Week*.
