- Well Living House <http://www.welllivinghouse.com/>
 - o Well Living House at the Centre for Urban Health Solutions (C-UHS) at St. Michael's Hospital is an action research centre for Indigenous infants, children, and their families' health and well-being. Our focus is on gathering, using, sharing, and protecting Indigenous health and well-being knowledge and practices. We draw on both Indigenous and public health knowledge to inform cutting edge scholarship and best practices. At the heart is an aspiration to be a place where Indigenous people can gather, understand, and share what it means to be a healthy child, family, and community – building a “Well Living House”.
