Library Team Presents Research at National Conference

The Canadian Health Libraries Association (CHLA) runs the nation's largest health libraries conference; this year it took place in Niagara Falls from June 10-13, 2022. We are very proud to share the paper session that was accepted to the program by team members from Library Services at Unity Health Toronto:

"Reduce, Reuse, Repository: Creating a Hospital Poster Repository to mitigate Research Waste, Mobilize and Preserve Institutional Knowledge" - Teruko Kishibe, Michael Myers, & Zack Osborne
